MIGHTY SKILLS INTERNATIONAL COLLEGE (KOLEJ ANTARABANGSA MIGHTY SKILLS)

VISION

To be an eminent institution of **Technical and Vocational Education and Training (TVET) & Higher Education** in Southeast Asia.

MISSION

We strive to provide affordable, quality, accessible academic and technical & vocational education through skills training to empower people to meet the skills needs of industry for employment opportunities and entrepreneurship, and to uplift and improve life and to make an economic contribution. This will result in an independent better life for everyone.

ABOUT US

Mighty Skills International College or *Kolej Antarabangsa Mighty Skills* (KAMS) is a premier private Technical and Vocational Education and Training (TVET) institution that has been contributing to Malaysia's human capital development since its establishment in 2010. KAMS is accredited by the Department of Skills Development (DSD), an agency under the Ministry of Human Resources Malaysia (KESUMA). KAMS offers a range of Malaysian Skills Certificate (SKM) and Malaysian Skills Diploma (DKM) programmes designed to produce skilled, knowledgeable, and job-ready graduates. As of November 2025, the TVET fields offered by KAMS include:

- Automotive Technology;
- Electrical Technology;
- Welding Technology;
- Pastry Production;
- Artificial Intelligence & Cybersecurity; and
- Hospitality & Healthcare.

The college proudly achieved 5-star in the prestigious Star Rating by DSD for its programmes in the evaluation years of 2015/2016, 2017/2018, and 2020/2021 – a testament to the institution's commitment to quality training, effective management, and continuous improvement.

In recognition of its outstanding contributions to TVET advancement, KAMS was recently awarded the Engineering Technology & Innovation Leadership Award at the Malaysia Education & TVET Awards 2025. The college also received the Outstanding TVET Institution of Negeri Sembilan Award 2025 (Private Institution Category) by the State Government of Negeri Sembilan. Moving forward, KAMS continues to strengthen its strategic partnerships with industries, government agencies, and educational institutions to nurture future-ready talents equipped with technical expertise, innovative, and strong work ethics-essential qualities for success in the global economy.
